

COLUSA COUNTY AIR POLLUTION CONTROL DISTRICT

RULE 4.4 -- APPLICATION FOR AUTHORIZATION TO CONSTRUCT, PERMIT TO OPERATE AND NOTIFICATION OF OPERATION

(amended 9/22/92, 9/14/99)

- a. An application and evaluation fee will be charged for all sources that apply for an Authorization to Construct and Permit to Operate. The fee will cover the review of the project emissions, air quality impacts and the preparation of an air quality summary analysis report. The application filing fee will be \$155.00, plus the actual Air Pollution Control District's cost of the evaluation at \$40.00 per hour.
- b. The fee for a Notification of Operation shall be \$65.00, plus the actual Air Pollution Control District's cost of the evaluation at \$40.00 per hour.
- c. The above permits shall be assessed a fee to include the costs imposed by the Sacramento Valley Basinwide Air Pollution Control Council of up to \$5.00 per permit.
