

FEATHER RIVER AIR QUALITY MANAGEMENT DISTRICT

**RULE 7.8 - OPEN BURNING FEES**

*(Adopted 7/6/92; Amended 7/1/02; 06/07/04)*

- A. Agricultural Burning: No person may use or authorize open outdoor fires for the disposal of agricultural wastes or conduct any range-improvement burning without first obtaining a burn permit from the District and paying the following annual fees:
- A.1. For all burn permits other than those covered by Rule 7.8.A.4, a base fee of \$42.00.
  - A.2. For all rice acreage, an additional fee of \$0.85 per acre.
  - A.3. For other agricultural burning, an additional fee of \$0.42 for each acre over 20 acres.
  - A.4. For orchard removal not meeting drying requirements, i.e., when drying times do not comply with the provisions of Rule 2.7.d.2, a fee of \$85.00 for each orchard.
  - A.5. Roadways, fence lines, and field borders shall be considered as part of the acreage permitted.
- B. Residential Burning: No person may use or authorize open outdoor fires for the disposal of waste from a single or two-family dwelling without first obtaining a burn permit from the District and paying an annual fee of \$25.00. Residential Burn permits may be waived at the discretion of the APCO.
- C. Special Burns: No person may use or authorize open outdoor fires for the disposal of waste from special burning without first obtaining a burn permit from the District and paying a base fee of \$34.00. If the District requires on-site inspection, the fee shall be \$85.00. Special Burning means any of the following:
- 1. Hazard Abatement
  - 2. Brush and other vegetation matter from Land Clearing
  - 3. Right of way, ditch, and levee maintenance
  - 4. Burning under other special permits issued by the District.
