**Effective Dates**

This Rule, as most recently revised, is effective on July 1, 2014.

Effective July 1, 2015, all District fees contained in this Rule shall be adjusted (rounded to the nearest half dollar) by the prior calendar years annual Revised Consumer Price Index (CPI) for All Urban Consumers as published by the United States Department of Labor, Bureau of Labor Statistics for All Consumers for the San Francisco statistical area. Notwithstanding the foregoing, in no event shall the permit fee be decreased and in no event shall any increase exceed 4% per annum, without formal action by the Air Pollution Control Board.

**MONTEREY BAY UNIFIED AIR POLLUTION CONTROL DISTRICT  
REGULATION III  
FEES**

Pursuant to Rule 300 (District Fees), fees shall be determined from the subsequent schedules. Schedule 4, 5 and 6 fees are in addition to fees from Schedules 1, 2 and 3.

Schedule 1  
General Permit Fees

Any article, machine, equipment or other contrivance for which a permit is required and which is not Equipment Which Has Lost Permit Exemption (Schedule 2) or Gasoline Dispensing Equipment (Schedule 3) shall be assessed a permit fee of \$812. However, if the Air Pollution Control Officer determines that the revenue provided by this Rule does not fairly represent the District's costs in processing the subject permit application, the Air Pollution Control Officer shall assess a permit fee based on the actual costs incurred by the District in processing the application at a rate of \$130 per hour of District staff time expended, which shall be rounded to the nearest whole hour.

Schedule 2  
Equipment Which Has Lost Permit Exemption

Any article, machine, equipment or other contrivance for which a permit exemption has been lost due to revision to District Rule 201 (Sources not Requiring Permits) shall be assessed a permit fee of \$257. However, if the Air Pollution Control Officer determines that the revenue provided by this Rule does not fairly represent the District's costs in processing the subject permit application, the Air Pollution Control Officer shall assess a permit fee based on the actual costs incurred by the District in processing the application at a rate of \$130 per hour of District staff time expended, which shall be rounded to the nearest whole hour.

Schedule 3  
Gasoline Dispensing Facilities

The fee shall be determined as follows:

Phase I

Any new gasoline dispensing facility which is installing Phase I vapor recovery equipment or any gasoline dispensing facility which is proposing modifications to the Phase I vapor recovery equipment shall be assessed a permit fee of \$818.

2

**MONTEREY BAY UNIFIED AIR POLLUTION CONTROL DISTRICT  
REGULATION III  
FEES**

Phase II

Any gasoline dispensing facility which is proposing the disconnection without modification of Phase II vapor recovery equipment shall be assessed a permit fee of \$818.

Any new gasoline dispensing facility which is installing Phase II vapor recovery equipment or any gasoline dispensing facility which is proposing the modification or addition of Phase II vapor recovery equipment shall be assessed a permit fee of \$818 plus a fee of \$50 for each nozzle.

Phase I and Phase II

Any new gasoline dispensing facility which is installing Phase I and Phase II vapor recovery equipment or any gasoline dispensing facility which is proposing modifications to the Phase I vapor recovery equipment and disconnection or addition of Phase II vapor recovery equipment shall be assessed a permit fee of \$1,090 plus a fee of \$97 for each nozzle.

Installation of In Station Diagnosis System

Any gasoline dispensing facility which is installing an In Station Diagnosis (ISD) system or is replacing an ISD system with a system certified under a different executive order shall be assessed a permit fee of \$1,165.

Schedule 4  
Emission Fees

In addition to other fees required, any article, machine, equipment or other contrivance which does not hold a valid District Authority to Construct or Permit to Operate shall be assessed an emissions fee, as determined by the District accordance with Section 4.3.1, 4.5, 4.7.3, 4.8, 4.9 or 4.10 of Rule 300.

Schedule 5  
Toxic Air Contaminants

**MONTEREY BAY UNIFIED AIR POLLUTION CONTROL DISTRICT  
REGULATION III  
FEES**

In addition to other fees required, each permit application for any equipment/operation which may emit or has the potential to emit any toxic air contaminant(s) (TACs), as defined in Rule 1000, shall be assessed a \$178 fee.

Schedule 6
