The Sacramento Metropolitan Air Quality Management District (District) hereby adopts and incorporates by reference the provisions of 40 CFR Parts 72, 75, and 76 for purposes of implementing an acid rain program that meets the requirements of Title IV of the Federal Clean Air Act. The effective date of this rule shall be the date that the United States Environmental Protection Agency grants delegation to the District to implement the provisions of 40 CFR Parts 72 (Permits Regulation), 75 (Continuous Emissions Monitoring), and 76 (Acid Rain Nitrogen Oxides Emission Reduction Program) implementing Title IV.

For the purpose of this rule, the term “permitting authority”, as that term is used in 40 CFR Part 72, shall mean the District and the term “Administrator” shall mean the Administrator of the United States Environmental Protection Agency. All other definitions shall be as given in 40 CFR Part 72.

For those facilities which are subject to this Rule, if the provisions or requirements of 40 CFR Part 72 are determined to conflict with or are not included in Rule 207, TITLE V - FEDERAL OPERATING PERMIT PROGRAM, the provisions and requirements of 40 CFR Part 72 shall apply and take precedence.
