(Amended December 21, 2001)(Amended November 7, 2008)

**RULE 208. PERMIT AND BURN AUTHORIZATION FOR OPEN
BURNING**

- (a) A person, required to obtain a permit for open burning pursuant to Rule 444, shall not set or allow any open outdoor fire without first having applied for and been issued a:
 - (1) Written permit for such fire by the local fire protection agency or the Executive Officer; and
 - (2) Burn Authorization Number from the Executive Officer for each day of burning.
- (b) A person shall not conduct or allow any open burning contrary to the site-specific permit conditions.
