CARGO TANK VAPOR RECOVERY CERTIFICATION APPLICATION VERSION 11

The Air Resources Board (ARB) administers the Cargo Tank Certification Program using a variety of forms and form letters. In order for all companies to provide the ARB with consistent and required information, only **Version 11** of the Cargo Tank Vapor Recovery Certification Application will be accepted after **September 1, 2004**. Version 10 or earlier versions will no longer be accepted. Any applications submitted after this date on non-compliant forms will be sent back uncertified. Any applications not fully completed will also be returned. For your reference, the updated Version 11 of the Cargo Tank Vapor Recovery Certification Application has been copied to the back of this advisory. A blank application is mailed to each owner/operator with their certified copy of any applications they have submitted. This form is also available on the ARB website at www.arb.ca.gov/enf/cargotanks/cargotanks.htm.

The new Version 11 Application contains the following changes:

The **Owner/Operator** (listed under Part A) is now required to provide the following information:

- Vehicle Type (Truck, Trailer, Semi, or Bobtail)
- Year of the Vehicle
- Delivery Type (Pump, Gravity, or Both)

The **Test Company** (listed under Part B) is now required to provide the following information:

- Whether repairs were made
- If repairs were made, the testing company is now required to attach a list of all repairs made.

Also newly noted on the application is a reminder that notifications are only to be made between the hours of 8:00 a.m. and 4:00 p.m. Monday through Thursday and 8:00 a.m. and 12:00 p.m. on Friday by calling 916-327-1524, emailing cargotank@arb.ca.gov, or faxing 916-445-6024.

Reminder: Please address all Cargo Tank correspondence to: Air Resources Board, Cargo Tank Certification Program, PO Box 1955, Sacramento, CA 95814.

Quick facts to remember when applying for your cargo tank vapor recovery certification:

Overnight Mailing Address: 1001 I Street, Cargo Tank Certification Program, Sacramento, CA 98514, Attn: Brad Cole, Enforcement. All regular Cargo Tank Applications should be sent to the PO Box address on the application.

48 Hour Notification Information: The Cargo Tank numbers of all Cargo Tanks being tested (If the Cargo Tank number is not available, please provide the serial number and license number. ARB will assign a Cargo Tank number to a new or new-to-California tank.); the name of the owner/operator; the name of the testing company; a contact and phone number for each; the physical address where the test will take place; the date of the test; and a two hour time window of testing.

Delayed/Changed Test Date(s): For any reason, ARB needs to be notified of all changes by calling the notification line at 916-327-1524 at least 48 hours before the test takes place.

Application Processing Time: Two weeks for correctly submitted applications. Any application submitted less than 15 days before expiration requires a \$40 fee for expedited processing instead of the regular \$20 fee.

If you have any questions please contact the ARB Cargo Tank Certification Program staff at 916-322-6950.
