SETTLEMENT AGREEMENT AND RELEASE

This SETTLEMENT AGREEMENT AND RELEASE (hereinafter "Agreement") is entered into between the STATE OF CALIFORNIA AIR RESOURCES BOARD (hereinafter "ARB") 9480 Telstar Avenue, Suite 4, El Monte, California 91731, and MP ENVIRONMENTAL SERVICES, INC (hereinafter "MP ENVIRONMENTAL"), 3400 Manor Street, Bakersfield, California 93308.

I. RECITALS

(1) HSC §§ 39650-39675 mandate the reduction of the emissions of substances that have been determined to be toxic air contaminants. In 1998, following an exhaustive ten-year scientific assessment process, ARB identified particulate matter (PM) from diesel-fueled engines as a toxic air contaminant. In-use On-Road diesel vehicles are powered by diesel fueled engines that emit toxic PM. On-Road vehicles are controlled under the Truck and Bus regulation, as codified in 13 CCR § 2025.

(2) 13 CCR § 2025(r) sets forth the requirements for reporting all vehicles with engines subject to the regulation if the owner of a fleet has elected to utilize the compliance options of 13 CCR §§ 2025(f)(4), 2025(g)(3), 2025(g)(4), 2025(h), 2025(i), the credits of 13 CCR § 2025(j), and the agricultural provisions of 13 CCR § 2025(m), single-engine and two-engine street sweeper provisions of 13 CCR § 2025(n), extension or exemptions for vehicles used exclusively in NOx exempt areas of 13 CCR § 2025(p)(1), the extension for work trucks of 13 CCR § 2025(p)(2), and the low-use vehicle provision of 13 CCR § 2025(p)(4).

(3) Failure to comply with the requirements of 13 CCR § 2025 is a violation of state law resulting in penalties. HSC §§ 39674(a) and (b) authorize civil penalties for the violation of the programs for the regulation of toxic air contaminants not to exceed one thousand dollars ($1,000) or ten thousand dollars ($10,000), respectively, for each day in which the violation occurs.

(4) 13 CCR § 2025(e)(8) states: "All information specified in 13 CCR § 2025(r) must be reported to the Executive Officer."

(5) MP ENVIRONMENTAL has elected to utilize the compliance options/credits/provisions of section (choose the applicable section).

(6) ARB has documented that MP ENVIRONMENTAL failed to report all vehicles with engines subject to the regulation for which the fleet owner has elected to utilize the compliance options of 13 CCR § 2025(choose the applicable section).

(7) In order to resolve these alleged violations, MP ENVIRONMENTAL has taken, or agreed to take, the actions enumerated below under "RELEASE". Further, ARB accepts this Agreement in termination and settlement of this matter.

(8) In consideration of the foregoing, and of the promises and facts set forth herein, the parties desire to settle and resolve all claims, disputes, and obligations relating to the above-listed violations, and voluntarily agree to resolve this matter by means of this Agreement. Specifically, ARB and MP ENVIRONMENTAL agree as follows:

II. TERMS AND RELEASE

In consideration of ARB not filing a legal action against MP ENVIRONMENTAL for the alleged violations referred to above, and MP ENVIRONMENTAL's payment of the penalties set forth in Section 1 below, ARB and MP ENVIRONMENTAL agree as follows:

(1) Upon execution of this Agreement, the sum of nine thousand, two hundred and fifty dollars ($9,250.00) shall be paid on behalf of MP ENVIRONMENTAL no later than December 19, 2015, as follows:

- $6,938.00 payable to the **Air Pollution Control Fund**
- $2,312.00 payable to the **San Joaquin Valley Air Pollution Control District**, with the following notation in the memo line of the check: **"For the School Bus and Diesel Emission Reduction SEP"**

Please send the signed Settlement Agreement and any future mailings or documents required per the terms of this Settlement Agreement to:

Mr. FEMI OLALUWOYE
Air Pollution Specialist
California Air Resources Board
Enforcement Division
9480 Telstar Avenue Suite 4
El Monte, California 91731

Please send the payment along with the attached "Settlement Agreement Payment Transmittal Form" (Attachment A) to:

California Air Resources Board
Accounting Office
P.O. Box 1436
Sacramento, California 95812-1436

(2) It is further agreed that the penalties described in "Terms and Release", paragraph 1 are punitive in nature, rather than compensatory. Furthermore, the penalty is intended to deter and punish MP ENVIRONMENTAL for violations of state environmental statutes, and these penalties are payable to and for the benefit of ARB, a governmental unit. Therefore, it is agreed that these penalties imposed on MP ENVIRONMENTAL by ARB arising from the facts described in recital paragraphs (1) through (8) are non-dischargeable under 11 United States Code § 523 (a)(7), which provides an exception from discharge for any debt to the extent such debt is for a fine, penalty or forfeiture payable to and for benefit of governmental unit, and is not compensation for actual pecuniary loss, other than certain types of tax penalties.

(3) MP ENVIRONMENTAL shall not violate HSC §§ 43701 *et seq.*, 44011.6 *et seq.*, and 13 CCR §§ 2180 *et seq.*, 2190 *et seq.*, and 2485 *et seq.*

(4) MP ENVIRONMENTAL shall comply with one or both of the following options to attend the California Council on Diesel Education and Technology (CCDET I) class, (SAE J1667 Snap Acceleration Smoke Test Procedure for Heavy-Duty Diesel Powered Vehicles) as described on the ARB webpage at http://www.arb.ca.gov/enf/hdvip/ccdet/ccdet.htm. This class is conducted by various California Community Colleges and instructs attendees on compliance with the PSIP, ECL and the HDVIP.

(a) MP ENVIRONMENTAL shall have the fleet maintenance manager (or equivalent) and all staff performing opacity tests for compliance with PSIP and the HDVIP attend the CCDET I class. Proof of CCDET I completion shall be provided to ARB within six months of the date of this Agreement and be maintained in each applicable employee's file for the term of his or her employment.

(b) If MP ENVIRONMENTAL uses a contractor to perform the annual smoke opacity testing required under the PSIP, in addition to having the fleet maintenance manager (or equivalent) attend the CCDET I course, MP ENVIRONMENTAL shall obtain proof that the contractor's staff conducting the smoke opacity tests completed the CCDET I course within the past four years. This proof of CCDET I completion shall be provided to ARB with PSIP records as required by this Agreement and be maintained with the annual PSIP records.

(5) MP ENVIRONMENTAL shall comply with one or both of the following options to attend the CCDET II class (Diesel Exhaust After Treatment and Maintenance), described on the ARB's webpage http://www.arb.ca.gov/enf/hdvip/ccdet/ccdet.htm. This class is conducted by various California Community Colleges and instructs attendees on California's

emission regulations and the proper care and maintenance of diesel exhaust after-treatment systems (DEATS).

(a) MP ENVIRONMENTAL shall have the fleet maintenance manager (or equivalent) and all staff responsible for maintenance of DEATS attend the CCDET II class. Proof of CCDET II completion shall be provided to ARB within six months of the date of this Agreement and also be maintained in each applicable employee's file for the term of his or her employment.

(b) In case MP ENVIRONMENTAL uses a contractor for the maintenance of DEATS, in addition to having the fleet maintenance manager (or equivalent) attend the CCDET II course, MP ENVIRONMENTAL shall obtain proof that the contractor's staff maintaining the DEATS device(s) completed the CCDET II course within the last four years. This proof of the CCDET II completion shall be provided by MP ENVIRONMENTAL to ARB within six months of the date of this settlement and be maintained with the DEATS installation and maintenance records.

(6) As is typically required, MP ENVIRONMENTAL shall submit copies of all PSIP compliance records for the two years (2015 and 2016) after the close of the audit to ARB by January 31 of the following year. ARB acknowledges that MP ENVIRONMENTAL has already submitted copies of all PSIP compliance records for year 2015 and has therefore complied with that requirement. MP ENVIRONMENTAL must still submit copies of all PSIP compliance records for year 2016 to ARB by January 31 of the following year. **Copies shall be addressed to the attention of Mr. FEMI OLALUWOYE at the California Air Resources Board, Enforcement Division, 9480 Telstar Avenue Suite 4, El Monte, California 91731**. ARB reserves the right to visit any MP ENVIRONMENTAL fleet location at any time to conduct compliance audits for the HDVIP and PSIP, or any other applicable ARB program.

(7) MP ENVIRONMENTAL shall complete Low NOx Software Upgrades (reflash) on all applicable heavy-duty diesel engines operating in California and report to ARB within 45 days of this agreement.

(8) MP ENVIRONMENTAL shall remain in compliance with the ECL regulation as codified in 13 CCR § 2183.

(9) MP ENVIRONMENTAL shall instruct all employees who operate diesel-fueled vehicles to comply with the idling regulations set forth in 13 CCR § 2485, within 45 days of this Agreement.

(10) MP ENVIRONMENTAL shall comply with the Truck and Bus regulation as codified in 13 CCR § 2025. Within 60 days of the execution of this Agreement, MP ENVIRONMENTAL shall submit the proof of compliance to Mr. Femi

Olaluwoye, Air Pollution Specialist, ARB Enforcement Division, 9480 Telstar Avenue Suite 4, El Monte, California 91731.

(11) MP ENVIRONMENTAL shall not violate the Truck and Bus regulation as codified in 13 CCR § 2025.

(12) This Agreement shall apply to and be binding upon MP ENVIRONMENTAL, and its officers, directors, receivers, trustees, employees, successors and assignees, subsidiary and parent corporations and upon ARB and any successor agency that may have responsibility for and jurisdiction over the subject matter of this Agreement.

(13) This Agreement constitutes the entire agreement and understanding between ARB and MP ENVIRONMENTAL concerning the subject matter hereof, and supersedes and replaces all prior negotiations and agreements between ARB and MP ENVIRONMENTAL concerning the subject matter hereof.

(14) No agreement to modify, amend, extend, supersede, terminate, or discharge this Agreement, or any portion thereof, is valid or enforceable unless it is in writing and signed by all parties to this Agreement.

(15) Severability. Each provision of this Agreement is severable, and in the event that any provision of this Agreement is held to be invalid or unenforceable, the remainder of this Agreement remains in full force and effect.

(16) This Agreement shall be interpreted and enforced in accordance with the laws of the State of California, without regard to California's choice-of-law rules.

(17) This Agreement is deemed to have been drafted equally by the Parties; it will not be interpreted for or against either party on the ground that said party drafted it.

(18) Senate Bill 1402 (Dutton, Chapter 413, statutes of 2010) requires ARB to provide information on the basis for the penalties it seeks (HSC § 39619.7). This information, which is provided throughout this settlement agreement, is summarized here:

The manner in which the penalty amount was determined, including a per unit or per vehicle penalty.

Penalties must be set at levels sufficient to discourage violations. The penalties in this matter were determined in consideration of all relevant circumstances, including the eight factors specified in HSC §§ 42403 and 43024.

Truck and Bus Violations

The per unit penalty for the Truck and Bus violations involved in this case is a maximum of $1,000 per vehicle per day for strict liability violations or $10,000 per vehicle per day for negligent or intentional violations.

The penalty obtained for the Truck and Bus violations involved in this case for failure to report all required information for all vehicles in the fleet is $9,250.00 or $125.00 per vehicle per violation for 74 vehicles.

The penalty was discounted based on the fact that this was a first time violation and the violator made diligent efforts to comply and to cooperate with the investigation.

The provision of law the penalty is being assessed under and why that provision is most appropriate for that violation.

Truck and Bus Violations

The penalty provision being applied for the Truck and Bus regulation (13 CCR § 2025) violations in this case is HSC § 39674 because the Truck and Bus regulation is an Airborne Toxic Control Measure adopted pursuant to authority contained in HSC §§ 39002 et seq., 39650-39675 and because MP ENVIRONMENTAL failed to report all required information for all vehicles in the fleet for which they have elected to utilize compliance options/credits/provisions as required in 13 CCR § 2025(r).

Is the penalty being assessed under a provision of law that prohibits the emission of pollution at a specified level, and, if so a quantification of excess emissions, if it is practicable to do so.

Truck and Bus Violations

The provisions cited above do not prohibit emissions above a specified level.

(19) MP ENVIRONMENTAL acknowledges that ARB has complied with Senate Bill 1402 in prosecuting or settling this case. Specifically, ARB has considered all relevant facts, including those listed at HSC § 43024, has explained the manner in which the penalty amount was calculated, has identified the provision of law under which the penalty is being assessed and has considered and determined

that this penalty is being assessed under a provision of law that prohibits the emission of pollutants at a specified level.

(20) Penalties were determined based on the unique circumstances of this matter, considered together with the need to remove any economic benefit from noncompliance, the goal of deterring future violations and obtaining swift compliance, the consideration of past penalties in similar cases, and the potential costs and risk associated with litigating these particular violations. Penalties in future cases might be smaller or larger on a per unit basis.

(21) The penalty was based on confidential settlement communications between ARB and MP ENVIRONMENTAL that ARB does not retain in the ordinary course of business. The penalty is the product of an arms length negotiation between ARB and MP ENVIRONMENTAL and reflects ARB's assessment of the relative strength of its case against MP ENVIRONMENTAL, the desire to avoid the uncertainty, burden and expense of litigation, obtain swift compliance with the law and remove any unfair advantage that MP ENVIRONMENTAL may have secured from its actions.

(22) Now therefore, in consideration of the payment on behalf of MP ENVIRONMENTAL to the Air Pollution Control Fund and the San Joaquin Valley Air Pollution Control District, ARB hereby releases MP ENVIRONMENTAL and their principals, officers, agents, predecessors and successors from any and all claims, ARB may have or have in the future based on the circumstances described in paragraphs (1) through (8) of the Recitals. The undersigned represent that they have the authority to enter into this Agreement.
