

Welcome to the new CARB Air Quality Training System. Here are the steps you'll need to take to start online classes in the new system.

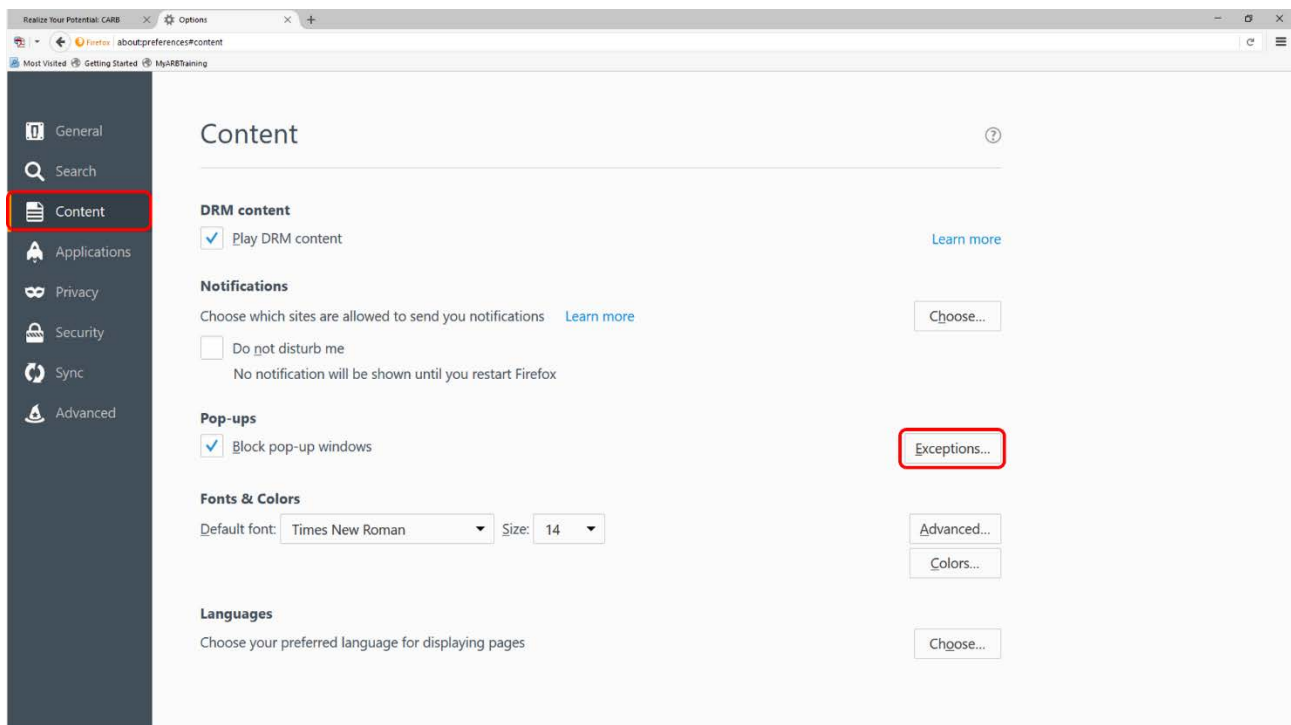

## Enabling Pop-up Windows in your Web Browser

### To allow pop-ups in Firefox:

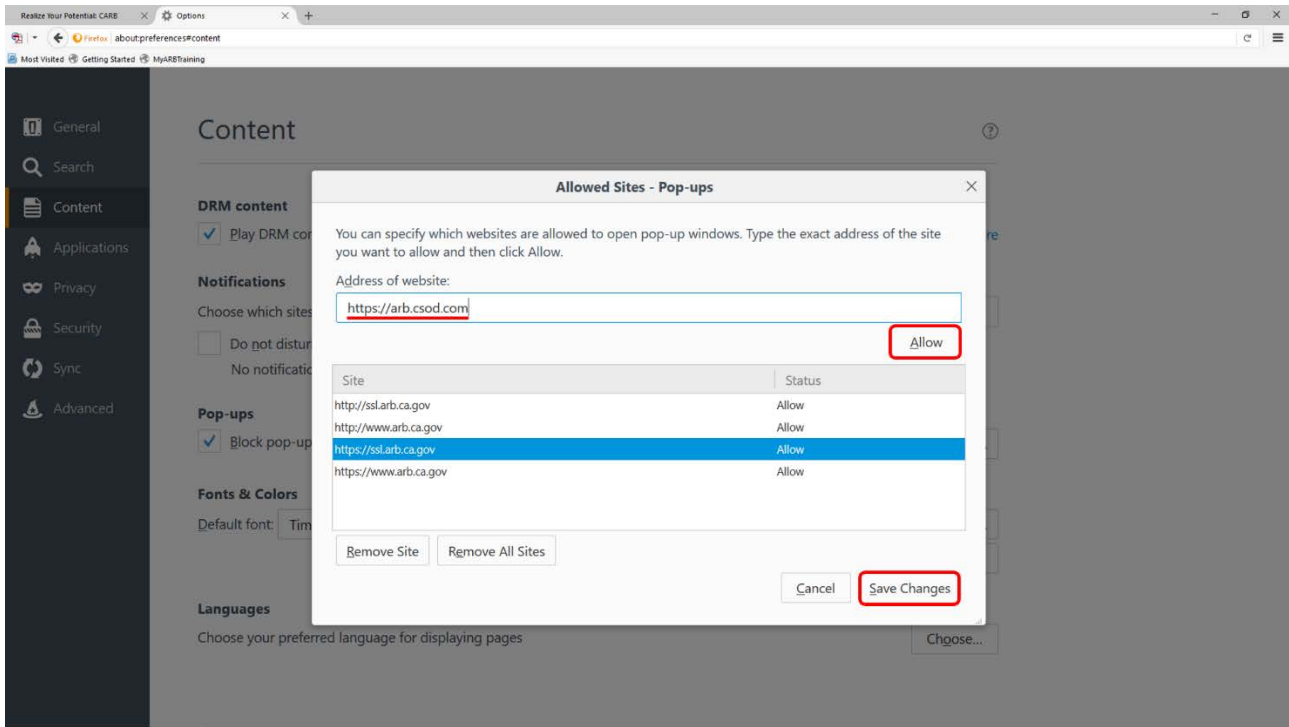

1. On the top-right of the browser, click the Menu button (☰), then click the Options button.

2. Click Content, then click the Exceptions button to the right of Pop-ups (leave "Block pop-up windows" checked).

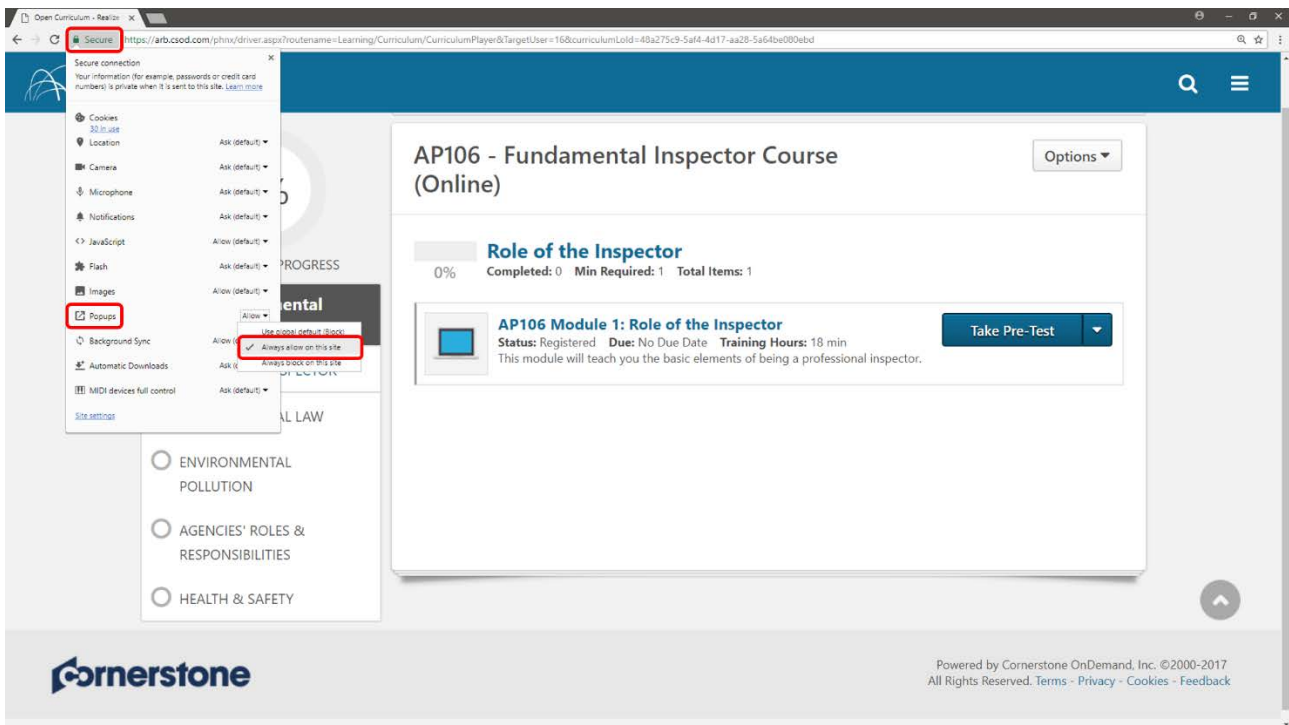

3. In the Address of website field, type <https://arb.csod.com>, then click Allow and Save Changes.

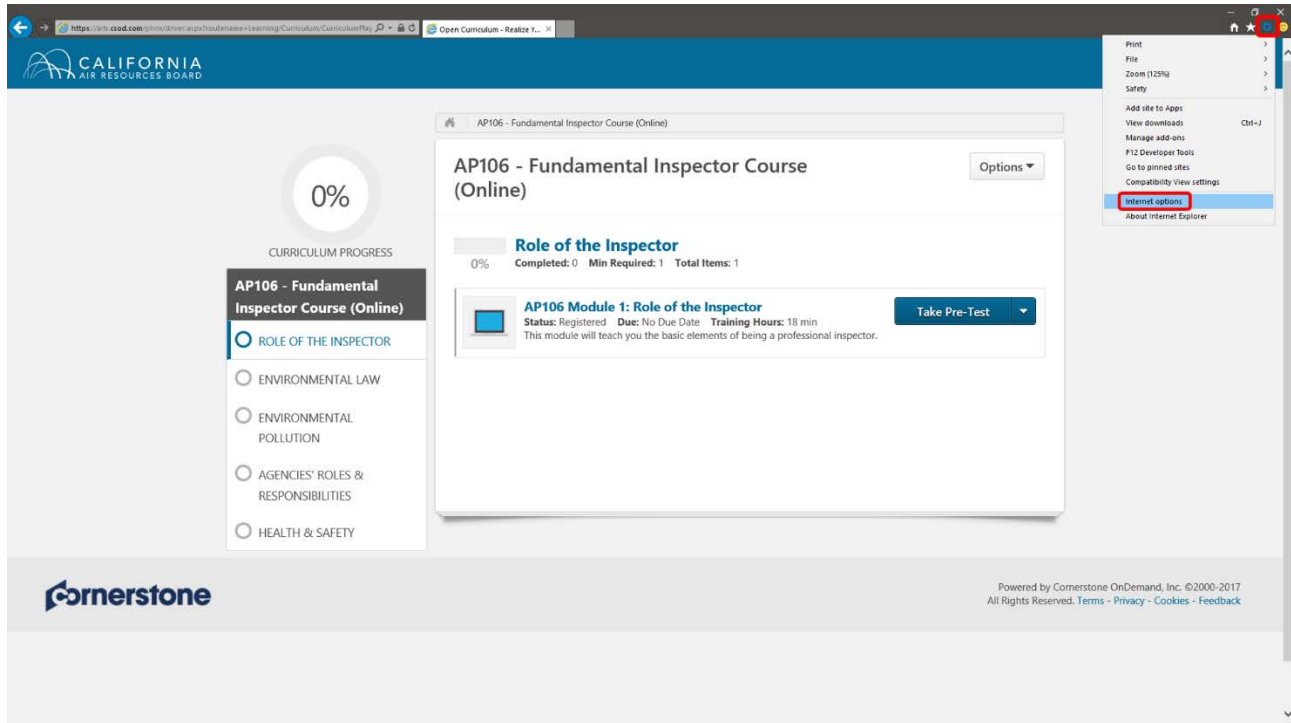

## To allow pop-ups in Google Chrome:

1. Navigate to the top-left of the address bar and click the icon, then go down to Popups and select "Always allow on this site".

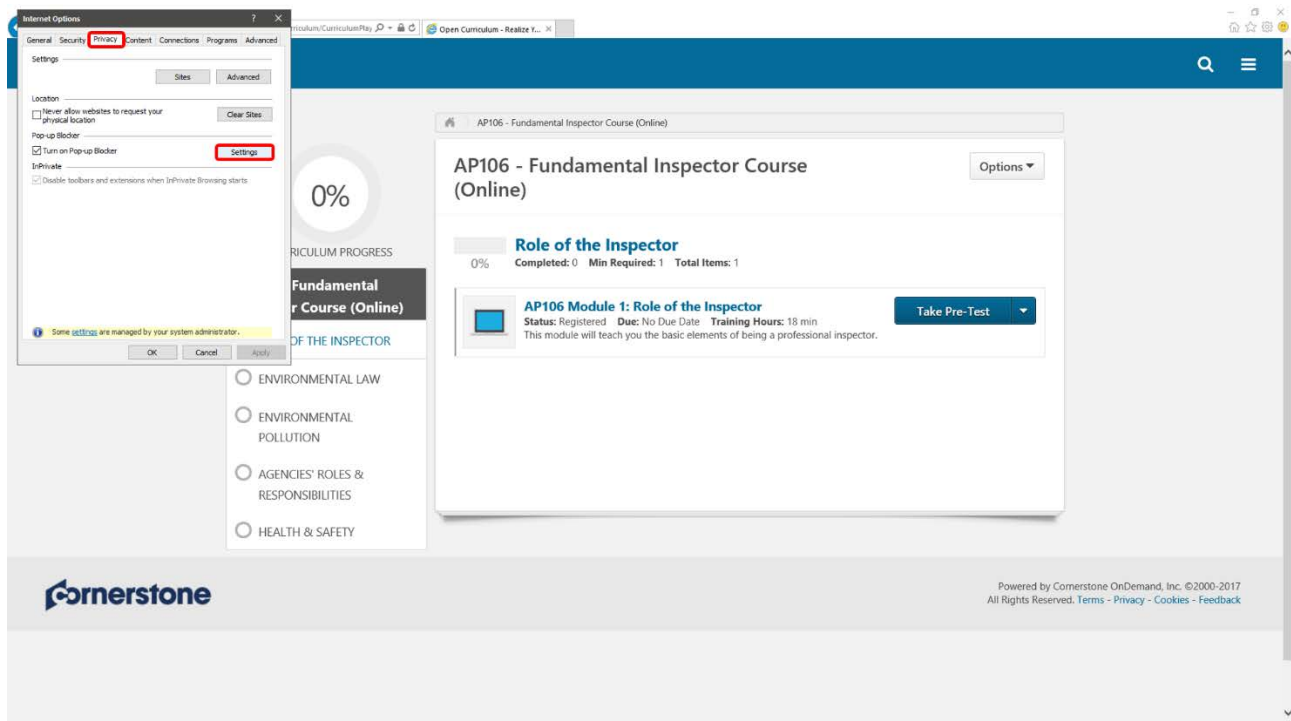

## To allow popups in Internet Explorer 11:

1. On the top-right of the browser, click the Tools button (☰), then click Internet options.

2. In the Internet Options window, click the Privacy tab, then navigate to the Pop-up Blocker section and click the Settings button (leave "Turn on Pop-up Blocker" checked).

3. In the Address of website to allow field, type <https://arb.csod.com>, click Add then Close, followed by pressing OK on the Internet Options window.
