

Advanced Hearing Board Workshop  
June 17 & 18, 2008  
Location: Burlingame, California

**Course Description**

This two-day course is taught by variance experts from ARB and local air districts. It addresses all variance and hearing board aspects along with the more technical issues pertaining to the issuance of variances and abatement orders. It features a “round-table” format in which instructors present a topic and open the floor for discussion and comments from participants.

**Who Should Attend**

All who are, or may be, involved in the variance process including public members (petitioners).

**\*An excellent training opportunity for petitioners who may have to appear before a hearing board, providing valuable insight into the variance and hearing board process.**

ARB is a State Bar of California approved **MCLE provider**. A total of 12.5 credits including 1.5 credits in the subcategory titled “Ethics.” will be provided upon completion of this course.
