

Biodiesel Multimedia Evaluation Tier I and Tier II Report

The staff of the California Air Resources Board is seeking comments to the California Biodiesel Multimedia Evaluation Tier I Report, released on January 16, 2009. Please note that the meeting notice for the Biodiesel/Renewable Diesel Workgroup Meeting, dated February 10, 2009, requested comments on the Tier I report to be submitted by February 26, 2009. However, the comment period for the Tier I Report has now been extended to **March 25, 2009**. Comments may be submitted to Mr. Robert Okamoto at rokamoto@arb.ca.gov or Ms. Aubrey Sideco at asideco@arb.ca.gov.

The Tier I report is posted on the Fuels Multimedia Evaluation webpage at <http://www.arb.ca.gov/fuels/multimedia/multimedia.htm> and the meeting notice and agenda for the Biodiesel/Renewable Diesel Workgroup Meeting on March 12, 2009 is posted on the Biodiesel webpage at <http://www.arb.ca.gov/fuels/diesel/altdiesel/biodiesel.htm>. Please note that the comment period for both the Tier I and Tier II reports have been extended. The Tier II test protocol will be released before the end of the Tier I comment period. The comment period for the Tier II report will be announced.

If you have any questions, please contact Ms. Aubrey Sideco, Air Resources Engineer, Industrial Section, Air Resources Board, at (916) 323-7227 or by email at asideco@arb.ca.gov.
