

## **UPDATE ON GREET SEMINAR BY MICHAEL WANG FROM ARGONNE NATIONAL LABORATORY**

The venue and sign-up procedures have been changed. We have moved the seminar from Davis, CA to a Sacramento location. Due to the room size, we will only be able to accommodate 60 persons for this seminar. The spots will be reserved on a **first come, first serve basis**. Please e-mail Michelle Werner at the address provided below to sign up for this seminar. There is **no fee** to attend this seminar. At this time, we do not have confirmation of call-in feature. Webcast can not be provided from this location. Please see below for venue and other information.
