

# Issues to Consider for Fee Schedule Provisions

Lex Mitchell

August 5, 2009

1

## Overview

- Background
- Guiding Principles
- Issues
- Next Steps
- Questions & Discussion

Aug. 5, 2009

2

## Background

- Board Resolution 09-31
  - Propose amendments by Dec. 09 if appropriate
- LCFS allows regulated parties to propose Carbon Intensity (CI) for new/modified fuel pathways
- Fee schedule may help ARB recover costs involved in calculating CI for new pathways

Aug. 5, 2009

3

## Guiding Principles

- Simplicity
- Transparency
- Minimize Costs
- Streamlined Reviews
- Authority

Aug. 5, 2009

4

## Issues

- What type of fee schedule should be introduced?
  - Fixed Fee Schedule
  - Hourly Fee Schedule
- What should the fee schedule accomplish?
  - Reasonable cost recovery
- Accountability
  - May require tracking of billable hours

Aug. 5, 2009

5

## Next Steps

- Consider comments
- Develop draft proposal
- Discuss at next workshop (mid September '09)
