Dear Sir or Madam:

The Air Resources Board (ARB or the Board) staff invites you to participate in the first of a series of workshops on the development and implementation of a Low Carbon Fuel Standard.

This workshop follows the September 13, 2007 Public Consultation Meeting and the October 4, 2007 Working Group Meetings on Lifecycle and Compliance and Enforcement and is intended to generate discussion on the key issues raised. Stakeholders and working group members are encouraged to participate in this workshop. Topics to be discussed include, but are not limited to: issues addressed during the Lifecycle and Compliance and Enforcement working groups, and recommendations from the UC Report. A tentative, draft agenda is attached. An updated agenda will be available about three days before the workshop.

The meeting will be held at the following time and location:

DATE: Wednesday, October 24, 2007
TIME: 9:00 AM – 12:00 PM
LOCATION: Coastal Hearing Room
ADDRESS: California Environmental Protection Agency
Cal/EPA Headquarters Building
1001 "I" Street
Sacramento, California 95814

Background information is available on the Low Carbon Fuel Standards Program website at: <http://arb.ca.gov/fuels/lcfs/lcfs.htm>. Presentations will be also available at this website. If you would like to receive email notifications of workshop and working group dates, please sign up on our list serv at <http://www.arb.ca.gov/listserv/lcfs.htm>

Directions to Cal/EPA Headquarters and public transit information can be found at the California Environmental Protection Agency's website at <http://www.calepa.ca.gov/epabldg/location.htm>.

The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption. For a list of simple ways you can reduce demand and cut your energy costs, see our website: <http://www.arb.ca.gov>.
