Subject: Attestation Letter

Dear Wes:

I, Craig Kramer, hereby attest that the information submitted in the Abengoa Bioenergy Biomass of Kansas, LLC Method 2 Application for the Establishment of a New Fuel Pathway under the California Low Carbon Fuel Standard (LCFS) is true and accurate. Furthermore, the application accurately represents the design of the long-term, steady state operation of the fuel production process described in the application packet.

Sincerely,

Craig Kramer  
Executive Vice President
