

**LOW CARBON FUEL STANDARD
AFRS ATTESTATION**

(Version 1.0)

Instructions: Please download this Attestation form and complete all entries offline (typed) to attest to the accuracy of information and data submitted for an alternative fuel production facility. Scan and upload the completed form into the LCFS Alternative Fuel Registration System (AFRS).

As Commercial Director of Abengoa Bioenergia Agroindustria 3924
(Title)* (Company Name) (EPA Company ID)

I, Rogério Santos am authorized to legally bind Abengoa Bioenergia Agroindustria and I am
(Typed Name) (Company Name)

submitting this Attestation for the following facility:

Abengoa - São Luiz 70473
(Facility Name) (EPA Facility ID)

with the GPS coordinates (center of facility) -21°54'49,53423" -47°19'33,54189"
Latitude Longitude

with the understanding that this information may be relied upon by other parties and used in reporting to the California Air Resources Board (CARB) for purposes of compliance with the Low Carbon Fuel Standard (LCFS).

I certify that current fuel production process used at this facility is consistent in all of the following areas with each of the fuel pathways identified in the online AFRS: (1) feedstocks used in fuel production; (2) fuel and feedstock production technology; (3) geographic region in which feedstocks and finished fuel are produced; (4) transportation modes used to transport feedstocks and finished fuel and transport distances; (5) types and amounts of thermal and electrical energy consumed in both feedstock and finished fuel production; (6) production of any coproducts; (7) all other applicable fuel pathway standards or operating conditions established by ARB; and (8) the carbon intensity (CI) of the fuel produced at this facility is no higher than the CI for the registered Fuel Pathway Code.

I understand that the following facility information will be posted on the LCFS website: Facility Name, Facility Address, Company ID, Facility ID, Fuel Pathway Code(s), CI values, Fuel Pathway Description(s), Physical Pathway Code(s) and Physical Pathway Description(s).

By submitting this form, Abengoa Bioenergia Agroindustria Ltda accepts responsibility
(Fuel Production Company)

for the information herein provided to the ARB. I certify under penalty of perjury under the laws of the State of California that I am authorized to legally bind the company by signing on its behalf, that I have personally examined, and am familiar with, the statements and information submitted in this document, and that the statements and information the company submitted online to ARB in the AFRS are true, accurate, and complete.

 Rogério Santos, Commercial Director 07/08/2015
Signature (INK ONLY) Print Name & Title Date

* Only Owners, Officers or Managing Partners responsible for the company's fuel production facilities and having authority to legally bind the company should complete and sign this form.
