(E) Submittal and Review of and Final Action on Submitted Demonstrations (95488(e)(5))	47
(d) Violations and Penalties (95494. Violations)	48
95485. LCFS Credits and Deficits	48
(a) Calculation of Credits and Deficits Generated (95486(b))	48
(b) Credit Generation Frequency (95486(c))	52
(c) Credit Acquisition, Banking, Borrowing, and Trading (95487(a)(1))	52
(d) Nature of Credits (95487(a). General)	52
95486. Determination of Carbon Intensity Values (95488. Obtaining and Using Fuel Pathways)	53
(a) Selection of Method	53
(b) Method 1 – ARB Lookup Table	55
Table 6. Carbon Intensity Lookup Table for Gasoline and Fuels that Substitute for Gasoline (95488(d))	58
Table 7. Carbon Intensity Lookup Table for Diesel and Fuels that Substitute for Diesel (95488(d))	65

Table 8. Carbon Intensity Lookup Table for Crude Oil Production and Transport (95489)	67
(c) Method 2A – Customized Lookup Table Values (Modified Method 1)	81
(d) Method 2B – New Pathway Generated by California-Modified GREET (v.1.8b)	82
(e) Scientific Defensibility	83
(f) Approval Process	84
(1) General Information Requirements	85
(2) Use of Method 2A or 2B Prohibited Without Executive Officer Approval... ..	85
(3) Fuel Pathway Application Requirements.....	85
95487. Requirements for Multimedia Evaluation (95490).....	96
95488. Banking, Trading and Purchase of Credits.....	98
(a) Calculation of Credit Balance and Annual Compliance Obligation (95485(b))	98
(b) Generation and Acquisition of Transferrable Credits (95486(a))	100
(c) Credit Transfers (95487(c). Credit Transfers between Parties).....	101
(d) Mandatory Retirement of Credits for the Purpose of Compliance (95487(b))	103
(e) Public Disclosure of Credit and Deficit Balances and Credit Transfer Information (95487(e))	104
95489. Regulation Review (95495)	105
95490. Enforcement Protocols (95492).....	106
