

Proposed LCFS Outline with References to Existing Regulation

As of May 30, 2014

- 95480. Purpose (from 95480, page 1)
- 95481. Definitions and Acronyms (from 95481, page 10)
- 95482. Fuels Subject to Regulation (from 95480.1. Applicability, page 1)
- 95483. Regulated Parties (from 95484. Requirements for Regulated Parties, page 22)
 - (a) Regulated Parties for Gasoline and Diesel (from 95484(a)(1) Regulated Parties for Gasoline, page 22 & 95484(a)(2) Regulated Party for Diesel Fuel and Diesel Fuel Blends, page 27)
 - (b) Regulated Party for Liquid Alternative Fuels Not Blended with Gasoline or Diesel Fuel (from 95484(a)(3), page 32)
 - (c) Regulated Party for Blends of Liquid Alternative Fuels and Gasoline or Diesel Fuel (from 95484(a)(4), page 32)
 - (d) Regulated Parties for Natural Gas (Including CNG, LNG, L-CNG, and Biogas (from 95484(a)(5) Regulated Parties for Natural Gas (Including CNG, LNG, and Biogas, page 33)
 - (e) Regulated Parties for Electricity (from 95484(a)(6), page 35)
 - (f) Regulated Parties for Hydrogen or a Hydrogen Blend (from 95484(a)(7), page 37)
- 95483.1. Opt-In Parties (from 95480.2. Persons Eligible for Opting into the LCFS Program, page 4)
 - (a) Eligibility (from 95480.2., page 4)
 - (b) Procedure (from 95480.3. Procedure for Opting Into and Opting Out of the LCFS Program, page 5)
 - (c) Selection of Carbon Intensity Value (from 95480.3(b), page 6)
 - (d) Opting Out (from 95480.3(c), page 6)
 - (e) Recordkeeping Requirements (from 95480.3(d), page 8)
- 95483.2 Establishing a LCFS Reporting Tool Account (NEW)
- 95483.3. Multiple Parties Claiming to Be the Regulated Party for the Same Volume of Fuel (from 95480.4, page 8)
- 95484. Average Carbon Intensity Requirements (from 95482. Average Carbon Intensity Requirements for Gasoline and Diesel, page 18 and 95483. Average Carbon Intensity Requirements for Alternative Fuels, page 20)
- 95485. Demonstrating Compliance (from 95488(a) Calculation of Credit Balance and Annual Compliance Obligation, page 98)

- (a) Compliance Demonstration (from 95488(a)(3), page 99)
 - (b) Calculation of Credit Balance and Annual Compliance Obligation (from 95488(a), page 98)
 - (c) Deficit Carryover (from 95488(a)(4), page 99)
 - (d) Deficit Reconciliation (from 95488(5), page 99)
95486. Generating and Calculating Credits and Deficits (from 95488(b), page 100 and 95485(a), page 48)
- (a) Generation and Acquisition of Transferrable Credits (from 95488(b), page 100)
 - (b) Calculation of Credits and Deficits Generated (from 95485(a), page 48)
 - (c) Credit Generation Frequency (from 95485(b), page 52)
95487. Credit Transactions
- (a) General (from 95485(d), page 52)
 - (b) Mandatory Retirement of Credits for the Purpose of Compliance (from 95488(d), page 103)
 - (c) Credit Transfers between Parties (from 95488(c) Credit Transfers, page 101)
 - (d) Public Disclosure of Credit and Deficit Balances and Credit Transfer Information (from 95488(e), page 104)
 - (e) Prohibited Transactions (NEW)
95488. Obtaining and Using Fuel Pathways (from 95486. Determination of Carbon Intensity Values, page 53)
- (a) Applicability
 - (b) Primary Alternative Fuel Pathway Classifications
 - (c) Program Structure
 - (d) Obtaining and Using Fuel Pathways: Specific Requirements and Procedures
 - (e) Evidence of Physical Transport Mode (from 95484(c)(2) Evidence of Physical Pathway, page 45)
95489. Provisions for Petroleum-Based Fuels
- (a) General (from 95486(b)(2)(A) For CARBOB and Diesel Fuel, page 69)
 - (b) Addition of Incremental Deficits that Result from Increases in the Carbon-Intensity of Crude Oil to a Regulated Party's Compliance Obligation (from 95486(b)(2)(A)2., page 71)
 - (c) Credit for Purchasing Crudes Produced using Innovative Crude Production Methods (from 95486(b)(2)(A)4., page 72)
 - (d) Low-Complexity/Low-Energy-Use Refiners
 - (e) Application Approval Process (from 95486(b)(2)(A)4.d., page 78)

95490. Requirements for Multimedia Evaluation (95487, page 96)

95490.2 Authority to Suspend, Revoke, or Modify (NEW)

95491. Reporting and Recordkeeping

(a) Reporting Requirements (95484(b), page 38)

(b) Recordkeeping and Auditing (95484(c), page 45)

(c) Documenting Fuel Transfers (NEW)

(d) Verification of Pathway, CI, Report (95484(c)(3) Data Verification, page 47)

(e) Access to Records (95484(c)(4) Access to Facility and Data, page 48)

95492. Enforcement Protocols (95490, page 106)

95493. Jurisdiction (95480.5, page 9)

95494. Violations (95484(d) Violations and Penalties, page 48)

95485. Regulation Review (95489, page 105)
