Dear Sir or Madam:

The California Air Resources Board (ARB/Board) staff invites you to attend a supplemental meeting of the Low Carbon Fuel Standard (LCFS) Advisory Panel (Panel). On April 23, 2009, the Board approved the LCFS regulation. The regulation became effective as of April 15, 2010. Section 95489 of the regulation requires the Executive Officer to conduct two reviews of the LCFS program in a public process. The Executive Officer is required to convene a Panel with which he will consult on the reviews. The reviews will address a broad range of implementation topics and may include recommended amendments to the regulation. Staff will present the results of these reviews to the Board by January 1, 2012, and January 1, 2015.

During this meeting, we will discuss the economic analysis as well as meeting the targets. There will also be time allotted for public comments and open discussion.

The meeting will be held at the following time and location:

DATE: Thursday, November 17, 2011
TIME: 12:30 pm – 5:00 pm
LOCATION: Cal/EPA Headquarters Building
Sierra Hearing Room, 2nd Floor
1001 "I" Street
Sacramento, California 95814

Directions to Cal/EPA Headquarters building, public transit information, and parking information can be found at the California Environmental Protection Agency's website at <http://www.calepa.ca.gov/epabldg/location.htm>.
