Dear Sir or Madam:

The California Air Resources Board (ARB/Board) staff invites you to attend the seventh meeting of the Low Carbon Fuel Standard (LCFS) Expert Workgroup. The LCFS regulation was approved by the Board at its hearing on April 23, 2009. At that hearing, the Board adopted Resolution 09-31, directing staff to convene an expert workgroup to assist the Board in refining and improving the land use and indirect effects analysis of transportation fuels.

During this meeting of the workgroup, each of the subgroups will present draft versions of short and long term recommendations to improve the land use and indirect effects analysis of transportation fuels. Enclosed is a tentative agenda. Drafts of documents, as appropriate, will be available prior to the meeting at <http://www.arb.ca.gov/fuels/lcfs/workgroups/ewg/expertworkgroup.htm>.

The meeting will be held at the following times and locations:

DATE: Thursday and Friday, October 14 and 15, 2010

TIME: 8:30 a.m. to 5:00 p.m.

Thursday, October 14:

LOCATION: Conference Room 550, Fifth Floor
Cal/EPA Headquarters Building
1001 "I" Street
Sacramento, California 95814

TIME: 8:30 a.m. to 5:00 p.m.

Friday, October 15:

LOCATION: Ballroom B, Activities and Recreation Center (ARC)
University of California – Davis Campus
Davis, California 95616

Directions to Cal/EPA Headquarters building, public transit information, and parking information can be found at the California Environmental Protection Agency's website at <http://www.calepa.ca.gov/epabldg/location.htm>.

The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption. For a list of simple ways you can reduce demand and cut your energy costs, see our website: <http://www.arb.ca.gov>.

A map showing the location of the U.C. Davis Activities and Recreation Center building can be found at <http://facts.ucdavis.edu/map.lasso>. The nearest parking lots are, parking lot 25, and the west entry parking structure. The Activities and Recreation Center parking lot has day permits for six dollars, which can be purchased from machines in the lots (cash or credit cards accepted) and coin-metered spaces. For any further questions concerning parking, please contact the U.C. Davis Transportation and Parking Services at <http://taps.ucdavis.edu/>. Driving directions and parking information will be available prior to the meeting at <http://www.arb.ca.gov/fuels/lcfs/workgroups/ewg/expertworkgroup.htm>.

Pursuant to the Bagley-Keene Open Meeting Act, several Expert Workgroup members will attend the meeting via teleconference from the locations as noted below, which are accessible to the public. However, the facilities at these locations may require advance approval or have other procedures for public access. If you wish to attend at one of these locations, please contact the relevant workgroup member to determine any specific public access procedures for that location at least one business day before the meeting.
