Dear Sir or Madam:

The next Low Carbon Fuel Standard Sustainability Workgroup meeting is scheduled for Thursday, January 20, 2010. We are going to discuss air quality and sustainability. We will send a meeting agenda shortly before the January meeting.

The meeting will be held at the following time and location:

DATE: Thursday, January 20, 2010  
TIME: 9:30 a.m. to 12:30 p.m.  
LOCATION: Conference Room 550  
ADDRESS: Cal/EPA Headquarters Building  
1001 "I" Street  
Sacramento, California 95814

The meeting will also be available via teleconference and webinar. To call in by telephone, see details below:

You may participate by teleconference by dialing **800-857-4882** (for domestic) or **1-630-395-0178** (for international), give the participant code **8022644**, and leader name **Mike Waugh**. Please note that if you call internationally, it is a toll call.

If you chose to participate via webinar, please register at the following website:  
<https://www2.gotowebinar.com/register/586484187>

If prompted, the webinar ID is: **586-484-187**

If you choose to participate via gotowebinar's audio system and not the teleconference call-in number, you will only be able to listen and see the presentations. You will not be able to participate using a microphone and must use the call-in information provided in the meeting notice if you wish to ask a question verbally. You may also type your questions to us using a chat box that will be available to you during the webinar. Staff will be using a computer to answer any questions submitted through the webinar dialogue box. In the event that the webinar fails, please call in to continue participating.

*The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption. For a list of simple ways you can reduce demand and cut your energy costs, see our website: <http://www.arb.ca.gov>.*
