Dear Sir or Madam:

The next Low Carbon Fuel Standard Sustainability Workgroup meeting is scheduled for Thursday, April 4, 2013. A tentative agenda includes a presentation on cost analyses and carbon intensity signals progress as well as continuing discussions on the practical implementation of sustainability provisions.

The meeting will be held at the following time and location:

DATE: Thursday, April 4, 2013
TIME: 9:30 a.m. to 1:00 p.m.
LOCATION: Conference Room 550, 5th Floor
ADDRESS: Cal/EPA Headquarters Building
1001 "I" Street
Sacramento, California 95814

The meeting will also be available via teleconference and webinar. To call in by telephone, see details below:

You may participate by teleconference by dialing **888-566-5917** (for domestic) or **1-773-756-4801** (for international), give the participant code: **60285**, and leader name: **Mr. Mike Waugh**. Please note that if you call internationally, it is a toll call.

If you choose to participate via webinar, please register at the following website:
<https://www1.gotomeeting.com/register/995208232>

If prompted, the webinar ID is: **995-208-232**

If you choose to participate via gotowebinar's audio system and not the teleconference call-in number, you will only be able to listen and see the presentations. You will not be able to participate using a microphone and must use the call-in information provided in the meeting notice if you wish to ask a question verbally. You may also type your questions to us using a chat box that will be available to you during the webinar. Staff will be using a computer to answer any questions submitted through the webinar dialogue box. In the event that the webinar fails, please call in to continue participating.

The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption. For a list of simple ways you can reduce demand and cut your energy costs, see our website: <http://www.arb.ca.gov>.
