Dear Sir or Madam:

The next Low Carbon Fuel Standard (LCFS) Sustainability Workgroup meeting is scheduled on Thursday, April 21, 2011. The purpose of this meeting is to revisit the LCFS sustainability workplan, reassess key elements from past meetings, and discuss concepts on how to address sustainability in the LCFS program. Discussion topics include, but are not limited to, principles and criteria, certification and benchmarking systems, and incentive ideas and concepts.

The meeting will be held at the following time and location:

DATE: Thursday, April 21, 2011
TIME: 9:00 a.m. to 12:00 p.m.
LOCATION: Conference Room 550, 5th Floor
ADDRESS: Cal/EPA Headquarters Building
1001 "I" Street
Sacramento, California 95814

The meeting will also be available via teleconference and webinar. To call in by telephone, see details below:

You may participate by teleconference by dialing **888-994-3817** (for domestic) or **1-415-228-3907** (for international), give the participant code **1580385**, and leader name **Mr. Mike Waugh**. Please note that if you call internationally, it is a toll call.

If you chose to participate via webinar, please register at the following website:
<https://www2.gotowebinar.com/register/738627387>

If prompted, the webinar ID is: **738-627-387**

If you choose to participate via gotowebinar's audio system and not the teleconference call-in number, you will only be able to listen and see the presentations. You will not be able to participate using a microphone and must use the call-in information provided in the meeting notice if you wish to ask a question verbally. You may also type your questions to us using a chat box that will be available to you during the webinar. Staff

The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption. For a list of simple ways you can reduce demand and cut your energy costs, see our website: <http://www.arb.ca.gov>.
