NOTICE OF CANCELLATION

CANCELLATION REGARDING AN UPDATE ON THE DEVELOPMENT OF THE CALIFORNIA SUSTAINABLE FREIGHT STRATEGY.

BY NOTICE dated November 18, 2014, the Air Resources Board (the Board or ARB) announced it would conduct a public meeting to hear an update from staff on the development of the California Sustainable Freight Strategy. The meeting was scheduled for December 18, 2014, at 9:00 a.m.

PLEASE BE ADVISED that the update on the development of the California Sustainable Freight Strategy has been **CANCELLED**. Staff has redefined the next steps and anticipates release of an initial document that describes ARB's vision and options for a clean freight system in Spring 2015.
