Subject: Air Quality during Covid

Comment:

Dear Chairman Nichols and Members of the Board. I would like to express the importance of supporting AB617 funding during this current pandemic. It is more critical now than prior to COVID19. Our communities rely on programs from AB617. Many of these communities are disadvantaged farm working communities recognized on calenvrioscreen 3.0 whom already fall victim to deadly pollution coming from oil & Gas, toxic and solid waste dumps and other elements that are aid to an unhealthy quality of life.
