Subject: Greater Mobility, Equity and Sustainability Through a Reduced VMT Approach
Comment:

Please find via the attached zip file: a cover letter with the subject line 'Greater Mobility, Equity and Sustainability Through a Reduced VMT Approach | Paradigm Framing Document & Transportation Spending Fact Sheet Attached' (file name: 'Cover letter to VMT framing doc & transpo funding factsheet.pdf'); and three enclosures: (1) a framing document (file name: 'More Choices Less Traffic.pdf'); (2) its executive summary (file name: 'Executive Summary- More Choices Less Traffic.pdf'); and (3) a fact sheet (file name: 'CA's Climate Goals & Transportation Spending.pdf').

Via those documents, we share our priority issues that we would like the California Transportation Commission and California Air Resources Board to jointly address, as well as some resources to support that effort, and some recommendations regarding the process that we would like that effort to follow.

Thank you in advance for your consideration of our input, and we look forward to working with you in partnership.
