Subject: ab617shafter20: PM 2.5 Emmissions from the Oil & Gas Industry

Comment:

Please help regulate the PM 2.5 emissions from the oil and gas industries in the Shafter, California area. Help assure that there is cleaner air for the plants and animals, including people. Cleaner air for the plant kingdom in the area would help the living organisms in the soil to live more fully, creating greater harmony for all. Happy plants bring greater abundance for all. Thank you.

Comment:

I am concerned about the high amount of toluene in gasoline  
dispensing and some are more polluting than others
