Subject: Farmer Program

Comment:

Continued funding of the Farmer program is essential to continued emission reduction in the farm sector. Volatility in farm commodity prices make it difficult for farmers to invest in new equipment. Assistance in purchases of new make it less risky to purchase new and clean the air.

Subject: Ag equipment replacment should be zero emission if possible

Comment:

Zero emission farm tractors are now coming on the market and should be considered for replacement before replacement with cleaner but still polluting diesel machines.
