Affiliation:

Subject: Green standards

Comment:

please stop destroying businesses in Ca. I am 62 years, my business spent 10 years paying off trucks, just to have them become out lawed in Ca.with only 62,000 miles on them. I had to sell at a loss ,now i had to buy the two more trucks .instead of retirement I'm paying off trucks again. This green dream is false . People like me are being driven into the ground.
