Subject: Comment - concept paper - certifying mfrs of CVRP eligible vehicles

Comment:

I'm in full agreement with developing this process to certify that manufacturers of CVRP vehicles treat their workers fairly and responsibly.

I'm not familiar with the rules or laws which may govern workers' "rights to association and assembly." If they do not cover workers' rights to advocate for and consider joining a union (in non-unionized workplaces), then that right should be an explicit right named in the policy.
