Comment:

Dear Mr. Mehl,

The Joint Utilities Group appreciates this opportunity to offer comments to the CARB proposals discussed during the Technical Work Group meeting held on May 3, 2018.

We look forward to continued collaboration with CARB to develop amendments to the SF6 Regulation that reflect our joint goals of reducing high GWP gas emissions and ensuring a safe and reliable statewide electricity grid.

Please feel free to contact me with any questions. Thank you.

Sincerely,
