Dear Clerk of the Board,

Please find attached comments from the California Environmental Justice Alliance in regards to item 10-8-2, Proposed Regional Greenhouse Gas Emission Reduction Targets for Automobiles and Light Trucks Pursuant to Senate Bill 375. I apologize for sending this letter after the deadline of noon today. I thought the deadline was 5:00 PM the day prior to the meeting. If it is at all possible to provide this letter to the Board members we would be very grateful and appreciate your understanding.

None of our organizations are able to be at the hearing in person but please let me know if there is another way to ensure that the Board members receive our comments.

Thank you,

Diane Takvorian
