**§ 41650. Adoption of nonattainment area plan**

(a) The state board shall adopt the nonattainment area plan approved by a designated air quality planning agency as part of the state implementation plan, unless the state board finds, after a public hearing, that the nonattainment area plan will not meet the requirements of the Clean Air Act (42 U.S.C. Sec. 7401 et seq.).

(b) The primary responsibility for determining whether a control measure is reasonably available shall be vested in the public agency which has the primary responsibility for implementation of that control measure. The determination of reasonably available control measure by the public agency responsible for implementation shall be conclusive, unless the state board finds after public hearing that such determination will not meet the requirements of the Clean Air Act.

**§ 41652. Revision of plan**

If, after the public hearing, the state board finds that the nonattainment area plan approved by the designated air quality planning agencies does not comply with the requirements of the Clean Air Act (42 U.S.C. Sec. 7401 et seq.), the state board may adopt such revisions as necessary to comply with such requirements, except as otherwise provided in Article 5.5 (commencing with Section 53098) of Chapter 1 of Part 1 of Division 2 of Title 5 of the Government Code.
