Re: December 6, 2007 Board Meeting: Item 07-12-4: 1990  
Statewide Greenhouse Gas Emissions Level and 2020 Emissions  
Limit.

Dear Ms. Nichols:

The Air Resources Board will consider the staff's proposed 1990 Greenhouse Gas Inventory at the Board's meeting on December 6, 2007. Sempra Energy has participated in prior workshops on this topic and previously submitted the attached letter to Board staff, dated November 19, 2007. Please accept this comment into the Board's hearing record for this item.

Thank you for considering our comments. We recognize the challenge faced by all concerned to address the mandates of AB32 and commit to working cooperatively with your staff to successfully implement this far reaching program.

Sincerely yours,

A handwritten signature in black ink that reads 'Taylor O. Miller'.
