**Re: Comments on the Final Cal/EPA Market Advisory Committee Report
Submitted to the CARB by the Carbon Offset Providers Coalition**

Dear Madame Chairwoman and Members of the Board:

Thank you again for the opportunity to address the Air Resources Board today to provide the comments of the Carbon Offset Providers Coalition on the Market Advisory Committee's report (Board Agenda item No. 07-8-2). The Coalition again commends the MAC for its excellent work. Enclosed are the following three documents which we believe will be of assistance to the Board as it implements AB 32:

- The Coalition's Comments to the MAC, dated April 13, 2007;
- The Coalition's Comments on the Draft MAC Report, dated June 15, 2007; and
- The Coalition's general brochure entitled "The Role of Carbon Offsets in Climate Change Legislation."

Please don't hesitate to contact me if you have any questions.

Sincerely
