**Re: SCAQMD-certified Fume Suppressant for Chrome Plating and Anodizing**

Dear Ms. Takemoto,

Please find enclosed the source test report covering the evaluation of our two products HCA-6.2 and HCA-4, which was prepared by Professional Environmental Services, and submitted to South Coast Air Quality Management District. I have also enclosed a copy of the letter of approval from Mr. Thomas Liebel of SCAQMD regarding these products. We would appreciate it if you could evaluate these products for inclusion in the state ATCM.

If you should have any questions or require any further information regarding this matter, please do not hesitate to contact me. Thank you very much for your consideration.

Very truly yours,  
HUNTER CHEMICAL LLC
