Dear Clerk of the Board,

[Valley Pacific Petroleum Services, Inc ] appreciates the opportunity to provide public comment on the Proposed Advanced Clean Fleets Regulation (ACF).

Stop this bill, fix, this is NOT fair for companies that supply us with needed Delivery of goods.]

We urge you to amend the ACF regulation for more flexibility so that the regulation catches up with technology and not technology catching up with the regulation.

Thank you,  
Valley Pacific Petroleum Services  
Annie Guzman]

Sincerely,

Annie Guzman
