

Comments ARB MRR and Cap-and-Trade Regulation due 3.11.2016

US Supreme Court, in Opinion 15A787 Chamber of Commerce, ET AL. v. EPA, ET AL, stayed *Carbon Pollution Emission Guidelines for Existing Stationary Sources: Electric Utility Generating Units* 80 Fed. Reg. 64,662 (October 23, 2015), on February 9, 2016.

With this stay, can USEPA require California to go forward as this rule effects out of state issues.
