"We can't wait 10 or 20 years for cleaner air. The move to electric trucks needs to happen now."

*Karla Briseño
San Bernardino*

"The doctor says to leave
our neighborhood, by why
should we have to move?"

*Lorena Rodarte
San Bernardino*

"It's not fair that we
have to live with this
pollution. We deserve
to live normal lives
too."

Genesis Pantoja
San Bernardino
