

I TABAL SINGH KAHLON and my father MOHINDER SINGH KAHLON owned two trucks each and are in Business in commercial transport FOR 17 years and live and operate in California.

We seek Funding and disqualifi For funding due to operating 60% miles out of California.

We been living in California For 19 year and Paid tax in California and operate our business For California.

Why can't we be qualify when we live in California and run most of our business in California.

I had no help and about to shut down my business due to arb regulation. and need ~~new~~ help.
