RE: Advanced Clean Fleets Regulation

Dear Sir or Madam,

Allison Transmission, Inc. appreciates the opportunity to submit comments to the California Air Resources Board (CARB) in response to the proposed Advanced Clean Fleets (ACF) rulemaking. Allison has supported the development of CARB's proposed ACF rulemaking through ongoing industry-agency technical collaboration facilitated by the Motor & Equipment Manufacturers Association (MEMA). As such, Allison supports the comments submitted separately by MEMA.

Sincerely,

A handwritten signature in black ink that reads "John A. Byerly". The signature is written in a cursive, flowing style.

John A. Byerly
Director, Electrification Product Management
Allison Transmission, Inc.
