**RE: California Air Resources Board; Proposed Amendments to the Aerosol Coatings
and the Consumer Products Regulations; ACA Comments**

Dear Ms. Makina:

The American Coatings Association (ACA)¹ Architectural and Industrial Maintenance (AIM) VOC Committee supports the use of ARB Method 310 to determine compliance with the 25 g/L VOC standard for nonaerosol "Multi-purpose Solvent" and "Paint Thinner" products sold, supplied, offered for sale, or manufactured for use in the South Coast Air Quality Management District (SCAQMD).

Sincerely,

/s/

David Darling, P.E.
Director, Environmental Affairs

¹ The American Coatings Association (ACA) is a voluntary, nonprofit trade association working to advance the needs of the paint and coatings industry and the professionals who work in it. The organization represents paint and coatings manufacturers, raw materials suppliers, distributors, and technical professionals. ACA serves as an advocate and ally for members on legislative, regulatory and judicial issues, and provides forums for the advancement and promotion of the industry through educational and professional development services.
