Subject: Advanced Clean Truck rule -- public comment

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Dear Air Resource Board,

I support a strong Advanced Clean Truck (ACT) rule that requires that by 2030, at least 30% (preferably more) of all new trucks on California's roads will be all electric and zero emissions.

We simply can't wait any longer to make these changes.

Thanks,
Alexa Forrester
Santa Rosa, CA

P.S. I tried to submit this comment via the website, but the form kept returning an error message.
