

## **APPENDIX LIST**

*The following list identifies the documents that have been submitted to accompany the Friends of the Earth – US November 13, 2015 comment letter. These documents are provided to serve on their own as relevant technical material on the REDD offsets subject. Several of these documents are previously submitted comment letters that are still very relevant to the discussion. In some instances items on this appendix list were specifically referenced in the FoE-US comment letter.*
