21 September 2018

Clerk of the Board  
California Air Resources Board  
P.O. Box 2815  
Sacramento, California 95812

**Regarding: Innovative Clean Transit Rule**

**Dear Friends:**

**I urge the Board to support the transition to 100% zero emission buses. The Innovative Clean Transit Rule is crucial for our state. Tackling global warming emissions from the transportation sector is doable and cost-effective. We owe this improvement in air quality to bus drivers, bus riders, and all the future citizens of our state.**

**Thank you for your efforts,**

**Madeleine Delman**
