The Honorable Gina M. Raimondo  
Governor of Rhode Island  
State House, Room 224  
82 Smith Street  
Providence, RI 02903

Dear Governor Raimondo:

The South Kingstown Town Council wishes to express its support for smart and effective policies that will help put more zero emission vehicles (ZEVs) on the roads here in Rhode Island.

The Ocean State Clean Cities Coalition's partnership with Plug in America will be able to promote the use of electric vehicles in our state, using an award from the Department of Energy to raise awareness among consumers and businesses of the environmental and economic benefits of using electric vehicles.

We endorse the Driving Rhode Island to Vehicle Electrification (DRIVE) electric vehicle rebate program administered by the Rhode Island Office of Energy Resources to support adoption of electric vehicles by Ocean State drivers.

Thank you for your consideration.

Very truly yours,

Dale S. Holberton, CMC  
Town Clerk
