Comments on the Draft Vibrant Communities and Landscapes White Paper

Dear Sir or Madam:

The Pacific Merchant Shipping Association (PMSA) submits the following comments, on behalf of its member ocean carriers and marine terminals operating throughout the State of California, regarding the draft Vibrant Communities and Landscapes White Paper.

A white paper of this scope must have more than four pages and must have a comprehensive and public review period that engages local government, community groups, and business groups. The Administration should withdraw this white paper without further action or at a minimum extend the comment period to 90 days and workshop the white paper throughout California.

Sincerely,

Thomas Jelenić
Vice President
