Subject: suggestion

Sam

While looking at the first line (Jan 31 for Electrical Distribution Utility) in Table 12, I had a lot of trouble finding the associated rule language. I assumed it would be in the annual reporting section. I suggest inserting a reference to 95491(a)(3)(D) for this line (as footnote maybe?) or include a pointer reference in the annual compliance report section directing the reader to the quarterly report section.
