December 16, 2011

Mary Alice Morency  
Clerk of the Board, Air Resources Board  
1001 I Street, Sacramento, California 95814

Dear Ms. Morency,

The compact disc that accompanies this note holds personalized comments from 363 members of the Union of Concerned Scientists regarding the Air Resources Board's vote today on proposed changes to the Low Carbon Fuel Standard.

Sincerely,

Chris Carney  
Union of Concerned Scientists
