you mailed a postcard asking for my comments but you didn't tell me what the new regulations will require. I'm just a "little person" with a backhoe that does not get used but maybe a couple times a year. We have never used it to make any money. We are in favor of cleaner air, but when this tractor was built, and when we bought it, it met all state and federal regulations, and it is grossly unfair to burden me and those in my position with these new regulations.

Will it really make any difference if any American, or every American responds to this questionnaire, you will be doing what YOU want to do anyway, right?
