RE: Application for Proposition 1B Funds for Shore power at the Port of Oakland

Dear Chairperson Nichols:

The Sailors' Union of the Pacific supports the application for granting the maximum amount of Proposition 1B funds for shore power at the Port of Oakland. Shore power is critical to both cleaning up the air in support of healthy communities and sustaining revenues at the Port to ensure continued delivery of economic benefits to the region and state.

Thank you for your attention to this matter. I urge you to support and fund landside shore power improvements at the Port of Oakland.

Sincerely,

GUNNAR LUNDEBERG
President/Secretary-Treasurer
